## Regional GSA Offices Rollout FAST Contracts

The rollout of the FAST Small Business, Solutions Development Center (SDC) is continuing with personal presentations being made to all GSA Regions and their SDC contract holders by Mary Parks, the SDC's Director.

In her recent visits to the Pacific Rim (San Francisco) and Mid-Atlantic (Philadelphia) Regions, Parks reported 25% of the SDC contract holders received business in excess of \$54 million since the center

was established in May 1999. Attendees were also told that the updated Volume 2 of the SDC catalog, along with a CD-Rom would be available after August 23. The catalog gives contract holders an opportunity to showcase their businesses, is being printed and will be available after August 23.

In conjunction with the labor day holiday, a special insert saluting small businesses, their importance in the U.S. economy and the SDC contract holders will be featured in the August 30 issue of the Federal Computer Week. This insert will be provided to the Federal and DOD circulation, approximately 76,000
